

Pricing & Rate Card

Published starter packages • Custom quotes for enterprise

HOW PRICING WORKS

Most delivery is project-based (fixed or milestone). Starter packages below are published starting points on tech.ellines.co.ke/pricing the live catalogue may update.

Enterprise products (hospital systems, AI assistants, multi-branch platforms) are quoted after discovery because modules and integrations vary.

Currency: Kenyan Shillings (KES) unless otherwise agreed. Taxes may apply per Kenyan law.
